PROF. CHANDLER of New York City, in a lecture delivered by him at Cooper Institute, March 19, 1870, said:

"It is hardly necessary to enlarge upon the terrible accidents which have resulted from the use of unsafe kerosene; you have only to read the newspapers from day to day to see them. It is stated by some that these are exaggerated; that these accidents never occur, and that you and I never had a friend burned to death; still we do have an enormous number of horrible accidents from petroleum. In the last seven months of 1869 there were fifty five kerosene accidents in New York, resulting in twenty-three deaths, eighteen serious injuries and fourteen slight ones. The total result for the year 1869, for the City of New York which I myself have cut from newspapers is fifty two fatal accidents from dangerous kerosene, fifty severe and six slight, in all 108 per cent to my knowledge, from my own reading have been injured by kerosene in one year."

J. H. HORNER, } Associate Principals.
R. H. GRAVES, }

THIS SCHOOL which has been for the last twenty years under the exclusive charge of J. H. Horner, will henceforth be conducted under the joint supervision of the above principals, with competent assistant instructors in every department.

The course of study has been extended, and boys will be thoroughly fitted for advanced classes in College, especial reference being had to the qualifications requisite to admission into the Senior classes in the University of Virginia, of Washington Lee University. The latter of which has again conferred upon the school the honor of a scholarship in that Institution.

A regular course of study in Natural Science, Commercial Science and the Modern Languages has been added to the school for those students, who, desiring to acquire only a complete business education may wish to substitute these studies for Latin and Greek.

No pains will be spared to render the instruction in the school efficient and to furnish to students the most ample facilities for thorough preparation for College or for the acquisition of a good business education; and the principals flatter themselves that their long and successful career as teachers is a sufficient guarantee that the school will be in all respects worthy the public confidence and support.

The Spring Session will open the second Monday in January.

Circulars containing terms and full particulars furnished upon application to either of the principals.

JUDGE BOND AND THE HABEAS CORPUS CASE.

The extraordinary conduct of Judge Bond of the Circuit Court of the United States, in the matter of B. G. Burgen, is worthy of note as illustrating his deep partizan feelings and utter unfitness for the high position which he fills, degrades and disgraces. For his conduct in that matter he deserves to be impeached. We had heard that he was a blatant partizan and grave complaints of him as a criminal Judge in the city of Baltimore, but we hardly suppose that the Senate of the United States, whatever the President might do, would confirm the nomination of a man unfit morally and intellectually to fill so high a place as that of United States Circuit Judge. But his conduct in the matter we are about to refer to, leaves no doubt as to what the people have to expect from him.

The facts are these: One B. G. Burgen, a notorious desperado, brought to this State from the State of Tennessee by Governor Holden to participate in his lawless war upon the people of Alamance, Caswell and other parts of the State last summer, had at the instance of Gov. Holden, arrested, hanged and outrageously maltreated many innocent and inoffensive citizens of Caswell and Alamance counties. His conduct was savage and inhuman to a degree almost without a parallel. The friends of the parties so maltreated and outraged, applied to the Hon. George W. Brooks, District Judge of the United States, for the benefit of the writ of *habeas corpus*, which was granted and they were discharged. But Burgen, monster as he was, armed, raved and threatened that he would re-arrest and imprison and outrage the parties so discharged, and his actions and that of his associates, showed his purpose to execute his threats. Thereupon, several of the persons threatened, applied again to Judge Brooks for a bench warrant against Burgen with a view to bind him to keep the peace under the Constitution and laws of the United States and to prevent him from rearresting the injured parties. He was arrested and on failure to give the required bond with security to keep the peace, he was sent to jail. He was also held in default of bail, under three bail writs of *capias ad respondendum* issued at the instance of persons whom he had theretofore injured most brutally.

The facts as here stated appear by the affidavits now on file and the records of the United States Court.

Because the suggestion of Governor Holden, as we believe, applied to Judge Bond for the writ of *habeas corpus* for the purpose of reviewing and overruling the action of Judge Brooks and sustaining by the decision of a Federal Judge, the infamous conduct of Governor Holden, Judge Bond promptly granted the writ, and what is remarkable in view of his high and important office, he comes all the way to Raleigh from Baltimore to hear the case of Burgen argued. He came and heard the argument and found the case very different no doubt from what he had anticipated. At all events, he did not then make any decision of the matter, but took the papers, &c., back to Baltimore for consideration as he said, and in the meantime sent Burgen back to jail. Bond well knew the importance of the questions before him, and of the purpose of the parties interested to appeal from his decision, if it should be adverse to them. Let us see what he did. He withheld his decision, until he came here recently to hold the United States Court. *He gave some of the parties or their counsel interested in holding Burgen, any notice of his decision discharging him until after Burgen had been discharged, turned out of jail just at night and had escaped out of the State!* Such conduct is not only illegal, but it is infamous to the last degree, and it had a two fold purpose—one was, to prevent an appeal and the detention of Burgen pending the appeal; and the other was, to enable Burgen to escape from the State clandestinely and secretly, so that the Sheriff of Wake county, could not seize and hold him under process then in his hands. Judge Bond knew these facts, and this is the Judge sitting in a high place which President Grant and a Republican Senate send out to administer the laws of a great government!

We have said nothing of Judge Bond's *opinion* in the matter referred to. It is puerile and unsustained by reason or authority, and shows manifestly a guilty purpose to give a false support to Gov. Holden in the hour of his extremity. Here is an extract from it: "Nor was such proceeding to deprive any person of life or liberty without due process of law, because in time of insurrection when the civil power appeals to force to support its authority, *the sword is due process of law.* The Supreme Bench of the State has held the militia law constitutional, and I agree with the Judges in their opinion." The principle so laid down needs no comment, and as to what he says of the Supreme Court of this State, that Court has made no such decision directly or indirectly, as that stated by him or any thing like it; he is in that guilty of intentional falsehood or wilful ignorance, for he had every opportunity to know better.

REMEMBER, that the election in Alamance, Guilford and Caswell, comes off on Saturday the 24th inst. *Let every* Democratic Conservative in those counties vote early.

Legislature of North Carolina.

SENATE.

WEDNESDAY, December 21.

The Senate met at 10 o'clock, President Warren in the Chair.

Prayer by Senator Norment.

Mr. Lehman rose to a question of personal privilege, and said the report in the SENTINEL misrepresents him, when it reports him as having changed his views as before expressed, by voting that to call a convention by the Legislature it required a two thirds vote of the General Assembly, for the reason that the Constitution is one of limitation of powers, and that while the people are not bound by such limitation in calling a convention, (see Constitution, Art. 1, Sec. 37,) the General Assembly are so bound. (See Constitution, Art. 13, Sec. 1.)

On motion of Mr. Mabney, the rules were suspended, and the bill to incorporate the Wilmington and Onslow Railroad Company, was put upon its passage. The bill passed its several readings, the vote on the third reading being 31 to 1.

On motion of Mr. Merrimon, the rules were suspended to take up the bill for the benefit of the Western N. C. Railroad Company, Eastern Division.

Mr. Merrimon explained that the object of the bill was to get rid of the present incompetent board of directors, and to provide a board that will protect the interests of the State and push forward the work.

Mr. Fleming moved to strike from the list of State directors the name of A. M. Erwin and insert that of Thos. J. Walker; rejected.

Mr. Brogden opposed the passage of the bill. He did not see why the old mode of appointing directors should be departed from.

Mr. Moorehead urged the passage of the bill as important and highly necessary.

Mr. Fleming moved to amend by requiring the President and Treasurer of the Company to give bond and security for the faithful performance of their duties, and also limiting the issue by the State of money to said officers to $100,000 at any one time; adopted.

The bill then passed its second and third readings, the vote on third reading being 29 to 1.

Mr. Fleming voted aye under protest.

On motion of Mr. Jones, the vote of yesterday on the bill to provide for the election of Keeper of the Capitol was reconsidered for amendment.

Mr. Cook introduced a bill in relation to the Public Librarian; referred.

Mr. Love, from the Committee on Propositions and Grievances, reported several bills; appropriately disposed of.

Mr. Albright moved for a suspension of the rules to take up the bill for the relief of the Sheriff of Chatham.

Mr. Love moved to amend by including bills for the relief of the Sheriff and the sureties of the late tax collector of Cherokee.

Mr. Norment moved to amend by including the bill for the relief of the Sheriff of Robeson.

Mr. Gilmer added the bill for the relief of the Sheriff of Guilford.

Mr. Moorehead added the bill for the relief of the Sheriff of Rockingham.

The amendments were accepted, the rules suspended and the bills passed their several readings.

On motion of Mr. Gilmer, the foregoing bills were ordered to be engrossed and sent to the House to-day.

Sundry reports of committees were made by Messrs. Robbins, of Davidson, Curry, Graham and Love.

On motion of Mr. Speed, the rules were suspended and the bill to regulate the killing of wild fowl in the waters of Currituck was taken up.

Mr. Speed stated that this bill was a compromise between the parties interested in the matter. He knew nothing of the matter specially himself, and called up the matter by request of the interested parties.

The bill passed its several readings.

On motion of Mr. Gilmer, the rules were suspended and a bill to amend the charter of the town of Greensboro' passed its several readings, was ordered to be engrossed and sent to the House at once.

On motion of Mr. Troy, the bill to repeal an act to authorize the Commissioners of Jones County to levy a special tax, after considerable discussion, passed its several readings.

On the passage of the bill, Mr. King was excused from voting.

A message was received from the House transmitting several engrossed bills.

Mr. Gilmer introduced a bill to amend chapter 49, section 95, laws of 1869-'70. Referred.

Mr. McClammy, a bill to incorporate the Wilmington Steam Fire Engine Company. Referred.

Mr. Bellamy, a bill to require the Treasurer of the State to pay over certain school taxes to the Treasurer of Edgecombe County for educational purposes. Referred.

Also, a bill to authorize the County Commissioners of Edgecombe County to levy a special tax. Referred.

Mr. Robbins, of Davidson, a bill to amend certain laws requiring bank bills to be received in payment of judgments in certain cases. Referred.

Mr. Lehman, a bill to incorporate the Trustees of Mount Vernon Academy, of Bay River, Craven County.

Also, to incorporate the town of Jackson, Craven County, under the name of "Stonewall." Placed on calendar.

Mr. Whiteside called up the bill to repeal the Act of last session, extending the corporate limits of the town of Rutherfordton. The Senate refused to concur in the House amendment.

Mr. Battle obtained leave of absence from to-morrow morning till the 3d of January.

Mr. Cook also from Friday till 3d January.

Mr. Troy introduced a bill to require the President and Directors of the several railroads of the State to settle in account with their successors in office; referred.

On motion of Mr. Warren, the rules were suspended and the bill concerning debts contracted by municipal corporations, and the bill to prohibit Justices of the Peace from practicing as attorneys passed their several readings.

The bill in regard to the burnt records of Clay county, also passed its several readings, on motion of Mr. Love.

Also the bill to authorize the Commissioners of Randolph to levy a special tax.

Mr. Graham called up the bill to authorize the Commissioners of Orange to levy a special tax; passed its third reading.

Mr. Love rose to a question of personal privilege in the course of which he denounced the leading article in yesterday's *Standard* as a "tissure of falsehoods" so far as it referred to his position in the objections he made to the present incumbent of the office of Superintendent of Public Instruction.

The Senate adjourned till 10 o'clock to-morrow morning.

HOUSE OF REPRESENTATIVES.

EIGHT SESSION.

TUESDAY, Dec. 20.

House called to order at 7:30.

Mr. Strudwick in the Chair.

The calendar was taken up and bill from the Senate to remove suits from one Judicial District to another, in certain cases, was taken up and put on its several readings and passed third reading and ordered to enrolment.

Mr. Welch asked that the rules be suspended and Senate bill in relation to application of special tax money be taken up. (The bill authorizes the application of $150,000 of that amount to the present use of the State government, $2,000 to the Insane Asylum, $13,000 to the Asylum for the Deaf, Dumb and Blind and $15,000 to the Penitentiary, and authorizes the Treasurer of the State to apply $75,000 of the special tax, hereafter to be collected, to be applied to above institutions at his discretion.) The bill was put on its several readings, passed and ordered to be enrolled.

Mr. Gregory asked leave to call up Senate bill No. 125, to extend the time of collecting and paying over taxes for the county of Martin, and the bill passed its several readings and was ordered to be enrolled.

On motion of Mr. Dunham, bill in relation to municipal elections was taken up. (Bill enacts that no person shall be entitled to vote for Mayor, Intendant of police, Alderman or other officer of an incorporated town or city at any election unless he be an elector of the State of North Carolina, and shall have resided next preceding the election 20 days in the corporation, and 10 days within the Ward in which he claims to be a voter. Registration to be made of all qualified voters. No person to be Mayor or other officer unless a qualified voter therein. Challenges may be made and disqualified persons excluded.

Sec. 2 of an act ratified Dec. 16, 1868, entitled an act to provide for the holding of municipal elections in North Carolina repealed.

Sykes, col., moved to postpone until the 24th day of January, 1871, objecting to general legislation on particular bills, and demanded the yeas and nays on postponement. Motion lost, yeas 31, nays 49.

Matson, col., called for the reading of the bill which was read with the amendment proposed by the Committee.

Reavis, col., moved to strike out 90 days in the first section and insert 10 days, and called for the yeas and nays. Lost, yeas 29, nays 50.

Page, col., moved to strike out 90 days and insert 30, and demanded the yeas and nays on his amendment. Lost, yeas 35, nays 45.

Mr. Tomlinson, in explaining his vote on this amendment, said that he objected to the bill because it was against the will of the towns interested. They had not asked for it, and therefore he would not force it upon them. He would vote "no."

Mr. Hargrove moved to strike out so much of the bill as allows challenging on day of election and called for the yeas and nays. Lost, yeas 32, nays 42.

Page, col., moved to strike out the 4th section which provides for challenging, &c.

Mr. Phillips moved to amend the amendment reported by the Committee which excepts the town of Fayetteville from the operation of the bill by adding the city of Raleigh. Upon a call for the yeas and nays it was lost, yeas 36, nays 39.

Page, col., moved to amend by excepting Elizabeth City and Oxford from the operations of the bill. Lost, yeas 31, nays 35.

The bill was then put on its second reading and passed, yeas 44, nays 28.

On motion of Mr. Crawford, the House then adjourned.

HOUSE OF REPRESENTATIVES.

WEDNESDAY, Dec. 21.

House called to order at the usual hour. Prayer by Rev. Dr. Mason of the city. Journal of yesterday read and approved.

Mr. Settle, from the Committee on Claims, Mr. McAfee, from the Judiciary Committee, Mr. Powell, from the Committee on Engrossed Bills, and Mr. McNeill, from the Committee on Propositions and Grievances, submitted reports from their respective Committees.

By Mr. Tomlinson: A bill to provide for the better protection of the wool growing interest of North Carolina and to provide a fund for educational purposes; referred.

Mr. Robinson, from the Committee on Enrollment, reported a number of bills and resolutions as correctly enrolled.

By Mr. Johnston of Buncombe: A bill to authorize the construction of a Turnpike road from Malone's Store, McDowell county to Flat Creek, Buncombe county.

Mr. Johnson moved to suspend the rules and put the bill on its passage, saying that the bill asked no appropriation but merely asked a charter that certain gentlemen in Buncombe county be allowed to proceed to construct the road which was very much needed in that section, &c.

The rules were suspended and the bill passed its several readings.

On motion of Mr. Smith, of Wayne, the rules were suspended and the House bill to amend the charter of the town of Goldsboro, was taken up.

On motion of Mr. Smith, the amendments by the Senate were concurred in.

By Mr. Waring: A bill to ascertain and determine the rights of the State in the Wilmington, Charlotte and Rutherford Railroad, without further litigation, and to amend the charter; rejected.

Mr. McCanley, from the Committee on Counties and Townships, submitted a report on various bills, which were appropriately disposed of.

Mr. Dunham moved to suspend the rules and take up the bill in reference to municipal elections; lost for want of a quorum voting.

Dudley, col., moved a call of the House; lost.

Mr. Dunham renewed his motion, and called for the yeas and nays. The call was sustained, and the motion carried by a vote of yeas 57, nays 28.

The Clerk read the bill. [Bill makes a residence of ninety days within corporate limits, and ten days in ward, as a qualification for voting, puts the time of holding elections on first Monday in May, and excepts the towns of Fayetteville and Washington from its provisions.]

A number of members gave notice of amendments.

Mr. Dunham called the previous question. The call was sustained by a vote of yeas 58, nays 34.

[During the ballot on the previous question, in recording his vote, Mr. Grayson said he voted for the previous question in order to cut off this everlasting debate. The opposite side had called the yeas and nays on this bill at least about twenty times, most unnecessarily, which had cost the people at least $33 each time. He had no patience with those who squandered the people's money in such a manner.]

Ellison, col. Rep., in recording his vote, replied to Mr. Grayson, saying when bills come up which Republicans did not like they would give all the trouble they could, and would call the yeas and nays if it should cost $40,000 each time instead of $33.

Page, col., moved to amend by striking out the exceptions in the bill in favor of the towns of Washington and Fayetteville. The amendment was put and rejected by a vote of yeas 29, nays 54.

Mr. Sparrow moved to amend by inserting after the word "Washington," in the 6th line, 6th section, the words "and Goldsboro," and at the end of the clause add the following: "And all officers who shall be elected in said towns of Washington and Goldsboro, at the election in January, 1871, shall continue to hold office until the regular election in May 1872, *Provided further*, That in all cities and towns not specially excepted in this act, all persons now in office by virtue of any election shall continue in office until the next general election in May, 1871.

The amendment was put to a vote, and adopted.

Mabson, col., moved to amend by striking out the words by which a vote may be challenged on the day of election.

On the adoption of the amendment Ellison called the yeas and nays. The call being sustained, the amendment was rejected by a vote of yeas 31, nays 53.

Mr. Ashe moved to insert in the provision the words "or the city of Wilmington."

Page, col., called the yeas and nays. The call being sustained, the amendment was adopted by a vote of yeas 49, nays 29.

Page, col., offered an amendment to strike out the 4th section, upon which he called the yeas and nays, but was not sustained by his party friends, and the amendment was put to a vote and rejected.

Ellison, col., offered an amendment making the time for holding municipal election "January" instead of "May," and called the yeas and nays. The call was sustained, and the amendment was rejected by a vote of yeas 49, nays 23.

The question recurred upon the bill on its third reading.

Page, col., called the yeas and nays. The call being sustained, the bill passed its final reading by a vote of yeas 54, nays 33.

By Robbins, col.: A bill to give County Commissioners the power to fill vacancies occurring in their Boards; referred.

FIRST SPECIAL ORDER.

Senate Resolution taking a recess from Dec. 22, 1870 to Jan. 14th 1871.

Mr. Currie moved to amend by inserting the 26th of Dec. 1870 and 18th of Jan. 1871; lost.

Mr. Sparrow moved to amend by inserting Dec. 24th 1870 and Jan. 16th 1871; adopted.

The resolution as amended passed its several readings.

SECOND SPECIAL ORDER.

Bill to be entitled an act concerning a Convention of the people. [The bill provides for an election for a restricted Convention on the 16th of Feb. 1871, and if a Convention be called, to assemble at Raleigh on the 1st Monday in April 1871.

The following are the restrictions:

Sec. 10. That said Convention shall have power to consider and propose all necessary amendments and alterations to the Constitution of the State, (excepting the restrictions hereinafter mentioned,) not inconsistent with the Constitution of the United States. But said Convention shall have no power or authority whatever, to offer or propose any amendment or alteration of, or in anywise interfere with, repeal or modify the Homestead and personal property exemptions, as provided for in Article 10 of the Constitution of the State, nor shall they in any way interfere with, modify, repeal or do any other act to restrict, or impair the rights, privileges, or immunities, of any person in the State, on account of race, color, or previous condition, which are now guaranteed to him, by the 13th, 14th and 15th amendments to the Constitution of the United States; nor shall they propose any amendment to the Constitution of the State, in any way impairing or restricting said rights, privileges or immunities; nor shall said Convention pass any ordinance, or propose any amendment to the Constitution of this State which shall in anywise provide for payment to the late slave holders of the State, or any other person, for the loss sustained by them by reason of the emancipation of said slaves; nor shall said Convention pass any ordinance, or offer any amendment, which shall in anywise provide for the infliction of corporal punishment for criminal offences; nor shall said Convention have power to abolish the present system of public instruction, but to make such alterations to said system, as said Convention may deem necessary and proper; nor shall said Convention have power to pass any ordinance to abolish, or in any way interfere with the meetings or adjournments of this General Assembly; nor shall said Convention propose any amendment or alteration, requiring any property or educational qualification for voters or officers; nor shall said Convention change the present ratio between the poll and property tax, or provide for raising the poll tax, on one poll above two dollars for all ordinary State and county,) purposes; nor shall said Convention be allowed to pass any ordinance or ordinances legislative in their character, except such as are necessary to submit the Constitution as amended, to the people of the State for their ratification or rejection, and provide for filling such vacancies as may occur by reason of any amendment or amendments made by said Convention to the Constitution of the State; and except ordinances in relation to the public debt; nor shall said Convention have any power to modify or repeal, that clause in the present Constitution, which provides for a mechanics' and laborers' lien law; nor shall said Convention have any power to modify or repeal those clauses in the present Constitution, which provide that there is no right to secede, and that every citizen owes paramount allegiance to the Constitution and government of the United States. (Article 1, sections 4 and 5.)

On motion, it was agreed to consider the bill section by section.

The first section was read, when Mr. Harris, of Guilford, moved to amend by striking out the 16th of February, 1871, as the time of holding an election for a Convention and insert the 16th of March, 1871, instead.

Mr. Tomlinson thought that a Convention was needed, and he would like to vote for some such bill, but he had pledged himself against a Convention, and, therefore, he would move to postpone the bill until the first Wednesday after the recess, so that gentlemen might go home and consult their constituents in regard to this matter. He thought the people would sanction, by a large majority, a Convention called in accordance with some such bill as the one under consideration, if some little time was given for them to consider the matter.

Mr. McAfee was in favor of the bill as it came from the Senate, and though it might contain some inaccuracies, he would vote for it just as it stood, without amendment or discussion. He was a Convention man, and he believed the people demanded one. He would take the bill as it came from the Senate.

Mr. Wilcox was opposed to a postponement of the bill. The people had had time to consider this matter. They knew well the only way in which speedy relief could reach them was through a Convention. True, he was pledged against a Convention, but that was a Convention called by the Legislature, and not against one restricted in its operations, and left to the decision of the people. Under the present onerous and burdensome Constitution the people were taxed nearly into ruin, and the ship of State was fast drifting, (if she had not already arrived there,) upon the breakers of disgraceful bankruptcy, and if we wait for relief by legislative enactment, which would take three long years, disgrace, ruin and poverty would overtake the State and the people. Relief must be had, and that in the most speedy manner. The condition of the State demanded it, and the condition of the ruined and heavily taxed people also demanded it.

Mr. Harris, of Franklin, Rep., favored the motion to postpone. He knew the Constitution needed amendment, and if time was given for consideration and consultation with the people, he might vote for the bill. This Township system was especially unsuitable to the condition of our people.

Mr. Tomlinson said as gentlemen wished to discuss the full scope of the bill, he would withdraw his motion to postpone.

The motion was accordingly withdrawn.

Mr. Martin moved to amend section 1, line 2, by adding after the word "State," the words "except in this particular only, that the Convention shall incorporate a clause in said Constitution recognizing and declaring that the doctrine laid down and the decision made in the 63d volume, page 431, N. C. Supreme Court Reports, in the case of Sarah Hill *vs.* Tobias Knight, to be the true and final decision of the question.

[The decision affirms the constitutionality and legality of the homestead provisions, applying to old as well as new debts.]

Mr. Waring, in an able and forcible speech, advocated the adoption of his amendment. He urged the importance of putting the question of the provision of the homestead, both as regards old and new debts, beyond all question or cavil. He wanted the bill passed with this provision in it in order that the State might have a Judiciary that would for all time respect and regard as sacred the immunities and privileges of the homestead.

[Mr. W's remarks will appear hereafter.]

A vote on the amendment, by acclamation, was had, and the Speaker being unable to decide, had a division.

The amendment was carried, with the majority of the Republican members present abstaining from voting one way or the other.

Page, col., Rep., moved to reconsider, saying that he had voted with the majority and had a right to make the motion.

Mr. Strudwick, Dem., moved to lay the motion to reconsider on the table; carried.

Mr. Ashe moved to strike out the word "Rebellion" and insert the word "War;" carried.

Mr. Anderson offered an amendment that the Convention should have no power to interfere with the provisions of article 5, section 5 of the Constitution in regard to lending the State's credit to unfinished Railroads.

Mr. Jarvis opposed the amendment; saying that unfair this clause of the Constitution a greater part of the trouble which the State had seen for the last two years, had arisen. As far as he was concerned, he hoped no Legislature, would for the next fifty years, issue bonds for Railroads. Besides he did not like the unjust manner in which the clause discriminated. The yet unborn child of the youngest member on the floor, if it lived to a green old age, would see the end of the trouble caused by this clause.

Mr. Johnston of Buncombe, favored the amendment. Though local prejudices might have warped his judgment in this matter, yet when he remembered the long years during which his section had bent its every energy to obtain appropriations in order to complete its great enterprise, and the vital importance the consummation of this enterprise was to his people, he could not but use all of his power and influence for the adoption of this amendment &c.

Pending any definite action, the House, on motion of Mr. Phillips, adjourned until 7 1-2 o'clock this evening.

NOTE.—Mr. Waring said when voting for the municipal bill on its third reading, that a portion of his constituents had requested its postponement and another portion earnestly advocated the immediate passage of the bill. Under these circumstances as none of them wished to except Charlotte from its provisions and all wished to enjoy its benefits when it became a law, he would vote for its passage.

Let all who good things would co-ordain,

Throughout its columns, an array of luxury
That will tempt the taste as well as the purse,
And if they don't invest, it will be the worse,

But we will say that never before did our columns present more tempting inducements than now. The windows of our stores are brilliant with fine, fancy and good things, all advertised in the SENTINEL, and at night makes Fayetteville Street look exceedingly attractive. Christmas will be ushered in with a glorious array of good things, and we hope that all will have a merry time.

THE STANDARD'S SLANDER ON JUDGE WARREN.

We publish, by request, the following letter from Judge Rodman. We feel assured that Mr. Warren cares nothing about the misrepresentations of the *Standard*, but he, doubtless, desires that his friends should not misunderstand his position.—He was nominated for a Judgeship by the Republican Executive Committee, and declined it. He had nothing to do with drawing or introducing the bill concerning the city of Wilmington. The journals show that the general bill in relation to municipal election was introduced by Mr. Jones and reported by Mr. Graham, and we are informed that Mr. Warren was not consulted about it. He advocated and voted for the bill; but it is not true that he or Mr. Graham has introduced or advocated any measure which disfranchises any class of citizens. The legislation on the subject of municipal elections makes no discriminations whatever, and there is abundant precedent for it in the action of the last Legislature and of the Convention which framed the Constitution. This Legislature is determined to prevent frauds in elections and to do away with the fraudulent devices invented by its predecessors. Hence, this Radical howl, "*hinc illae lachrymae.*" Again, Mr. Warren did not vote one way or the other on the question of the public printing, for the very sufficient reason that he was confined to his room by indisposition at the time when the matter was before the Senate.

The *Standard* has been slandering and misrepresenting Judge Warren long enough. If Judge Rodman wished to do him justice he should have published this letter during his late canvass before the people:

WASHINGTON, N. C., 11th Dec., 1870.

Editor of No. Ca. Standard:

I saw in your paper a few days ago a statement that Mr. Warren, (now Senator from Beaufort,) would have accepted a Republican nomination for a Judgeship in 1868, and an implication seemed to be intended that such a willingness was inconsistent with his present views. As possibly my action in the Republican nominating convention of 1868 may be the ground for the statement respecting Mr. Warren, I think it due to him that I should say what follows:

Mr. Warren had made a very good Judge; he was from my county; persons had not in 1868 taken decided party positions, or if they had, no opportunity had occurred for making it generally known. I was a delegate to the nominating convention of the Republican party. I desired that Judge Warren should be continued in an office which he had filled satisfactorily to the people and honorably to himself. Accordingly, before the meeting of the convention, I wrote to him, and asked to know if, in view of procuring his nomination, I might declare him a Republican. I thought this declaration necessary to his success. *He declined to allow me to do so.* Nevertheless, at the convention he was nominated by some one of the delegates from Beaufort, and persistently voted for by the delegation, but without success. Judge Jones procuring the nomination. Whether Mr. Warren would have accepted a Republican nomination or not, I do not know. I only wish to say that he declined to allow me to announce him a Republican, and of course I did not.

Respectfully yours, &c.,

WILL. B. RODMAN.

HUMORS OF THE SENATE.—During the debate on the Convention bill in the Senate, on Monday the Senator from Wayne was making one of his long windy speeches, in the midst of which he stopped an unusually long time to take a drink of water. The Senator from Rowan arose to a point of order, namely, that the Senator was occupying the floor, but not speaking to the question.

The Senator from Wayne said he had only stopped to take a drink of water.—Thereupon the Senator from Orange raised another point of order—that *water* was not necessary to run a *wind* mill.

The Senator from Wayne having extended his "few remarks" to about three hours, the Senator from Yadkin arose to a point of order, reading that clause of the Constitution which forbids excessive bail, excessive fines, or *cruel or unusual punishment*, which, he said, the Senator from Wayne was inflicting on the Senate.

The Senator from Wayne said that was "the most unkindest cut of all;" that he had not intended to say a word on the subject under discussion, but that many of his friends had urged him to do so, and he had reluctantly complied. The Senator from Beaufort said he had no doubt his friends would now consider the obligation fully discharged.

At the conclusion of the Senator's speech, a subscription was privately circulated, we understand, to raise funds for having it printed on the blank leaves of Blum's Almanac for the year 1872, or to be transcribed on raw hide and handed down to "de archives of grabity."

We gave, in our report of the Senate proceedings yesterday, only a brief synopsis of the remarks of Judge Warren, on taking the chair as President of the Senate; the following are his remarks in full:

SENATORS: I thank you for the high compliment you have paid me in choosing me for your temporary presiding officer. I beg you to remember that I am not used to this position to which you have called me. I am not an adept in parliamentary law, nor am I very familiar with the existing rules of the Senate. I shall, therefore, stand in need of your friendly support. With this aid I trust I shall be able to discharge the duties of the chair satisfactorily to the Senate. At any rate I shall endeavor to discharge them impartially, hoping that if I manifest this purpose, you will overlook my imperfections. I trust your deliberations will be as harmonious in the future as they have hitherto been.

FRAPS, the popular saloonist, opened his new rooms on Fayetteville street, last Saturday night, "to a large and highly respectable audience." Fraps deserves credit for the energy he has displayed in putting up his establishment. It is now one of the neatest places in the city and well arranged. The public, who indulge in cold water, lemonade and so forth, (particularly the *latter*,) can spend a pleasant time at Fraps'.

Wednesday Evening Dispatches

WASHINGTON.

WASHINGTON, Dec. 21.—In the House the amnesty bill was postponed till 11th January. Nothing important in the Senate.

FOREIGN

LONDON, Dec 21.—Advices received from Paris, 15th, represent the army and the people as calm and resolute—provisions plentiful—no disorder whatever in the city.

The German victory at Nuits has been exaggerated; the Prussians captured 600 instead of 6,000 prisoners.

The news from the German army of the North is important. The Germans are again marching on Bazie, this time with a much larger force. The French have taken measures to resist, and an engagement is already reported at Bubbe, twenty-five miles from Havre, in which the French were victorious, and the Prussian advance checked.

The Prussians have bombarded Mezle. They have evacuated Sergnigy and Beaumont. There are 25,000 Prussians at Montmedy. Frandherbe has achieved some important successes.

ROME, Dec. 20.—The ministerial project of guaranteeing the independence of the Holy See covers twenty points, among them the Pope's inviolability, the retention of the Papal Guards, residence in the vatican and exemption of the same from taxation and the ordinary jurisdiction of the State.

MARKETS.

NEW YORK, Dec. 21.—Flour quiet and unchanged; Wheat quiet and steady; New mess pork 19 to 19¼; Lard 12½; Cotton quiet and steady, middling uplands 15¾, Orleans 16; Spirits Turpentine 48; Rosin 2.12.

Gold 10¾ to 10¾; Money 7 currency to gold; Exchange 6¾.

Wednesday Night Dispatches.

WASHINGTON, Dec. 21.—The War Department has no advices of troubles in Georgia.

Schenck's nomination was sent in to-day.—Hooper succeeds Schenck.

In the Senate a dispute over precedence consumed the morning hour, and then the San Domingo resolutions were taken up. Sumner calls the resolutions "pernicious." Sumner spoke on them; Morton is speaking to-night, but he gave way and the sugar bill was passed and goes to the President.

In the House, the vote postponing the amnesty bill was 109 to 85. To-morrow's session is for debate only, which puts the San Domingo resolution beyond the recess.

ALABAMA.

SELMA, Dec. 21.—At the municipal election yesterday the Democratic ticket was successful by about 300; at the State election the Republican majority was 1,500.

FOREIGN.

LONDON, Dec. 21.—There has been no recent communication between King William and the Pope.

Prussia, in accepting the Conference, stipulates that only matters connected with the treaty of 1856 shall be considered. The adhesion of France to the Conference is still wanting.

CONSTANTINOPLE, Dec. 21.—It is untrue that Turkey has determined to act independently of the powers.

MADRID, Dec. 21.—The Cortes to-day voted its own dissolution amid great excitement; the opposition immediately left the chamber.

MARKETS.

NEW YORK, Dec. 21.—Cotton dull and lower; sales 5,900 bales, at 15¾. Southern flour, common to good extra 6 to 6,40. Whisky 93. Wheat 1c. better, red and amber Western 1.43 to 146. Corn firmer, unchanged. Pork, old 18¼; new 19¾ to 19¾. Spirits turpentine 46. Rosin 2.12½.

Money active at 7, exchange 8¾, governments steady, southern steady, N. C's. 43¾, new 29.

BALTIMORE, Dec. 21.—Flour active and unchanged, wheat dull and only choice samples wanted, corn higher, white 74@75, yellow 73@74, whiskey 95@96.

NOTE.—We get no dispatches of the Georgia election to-night; why, we cannot understand.—EDITOR.

WHAT THE CITY PRESS SAY:

PRIZE DRAWING.—Quite a crowd assembled at the Theatre yesterday noon, to witness the Grand Drawing of the North Carolina Beneficial Association. There were 100 prizes in all, and little rolls of paper separating these were placed in a wheel on one side, while the tickets were in another wheel opposite to the former. Between the two was a table, at which sat the Judges and Mr. John London, Commissioner. The wheels were made with glass sides, so that everything within them could be seen and were securely locked, until the drawing began. This was done by means of two little boys, who were securely blindfolded, one drawing a number from one of the wheels and the other the prize to correspond with it. There is no question but that the drawing was done in a perfectly fair and just manner.—Wilmington Daily Journal, Dec. 2nd.

THE GRAND DRAWING YESTERDAY.—The grand single number distribution of the N. C. Beneficial Association, which took place at the Theatre yesterday at 1 o'clock, was the all absorbing theme during the day. The drawing took place in public, a committee having been selected from the audience to act with the Commissioner in keeping an account of the same and to see that it was conducted fairly. Quite a respectable crowd was present to witness the drawing. The following numbers drew the principal prizes: No. 5810, $5,000; No. 6006, $2,500; No. 5776, $2,500; No. 7842, $2,000; No. 1407, $2,000; No. 4455, $1,000; No. 1490, $900. BENEFIT LIFE INSURANCE COMPANY

OF NEW YORK.

Cash Assets over $1,500,000,

ISSUES ALL FORMS OF NON FORFEITABLE, WHOLE LIFE AND ENDOWMENT POLICIES, on the Mutual Cash Plan, declaring dividends annually after the first annual premium paid. Assets exclusively Cash, with no portion of its reserve fund in premium notes, consequently its "reserve" is stronger than that of any company doing business in this State. No "definite surrender values guaranteed" as an inducement to new business, but reference is made to the average amount paid on each surrendered policy, as shown by the New York Insurance Reports, 1869, as evidence of having paid larger surrender values, than has been given under a minimum "Definite Cash Surrender Value." Death losses have not occurred out of several hundred policy holders in this State, which fact must establish the better ability of the Company to pay larger dividends than companies having an excessive mortality, the result of a selection of bad risks. "Fictitious Dividends are not declared, but dividends are given from the actual surplus, in accordance with the Company's charter. The attention of the public is invited to the following comparison of cost, demonstrating the advantages over ordinary insurances, of the

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE IS THE ONLY COMPANY IN AMERICA WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation for judgment of investment, economy of management, and skill and care in the selection of risks, upon which elements of solidstration the security of a Life Insurance Corporation depends.

The laws of New York compel Companies in that State to calculate the cash value of their Policies, each and every year, and a certain legal standard of reserve and accumulation must be held by the companies to meet all their liabilities.

Insurers in looking around for Companies in which to insure, should carefully seek for this important safeguard. It will be found in the BROOKLYN LIFE.

TWENTY-ONE REASONS FOR PREFERRING THIS COMPANY TO ALL OTHERS.

1. Its Cash assets are upwards of $12,000,000 00, and constantly increasing.
2. None of this is made up of Promissory Notes, as in many Companies.
3. Its Cash income per annum is over $6,000,000 00, and steadily growing larger.
4. None of this is composed of the notes of hand of policy holders, as is the case in many Companies.
5. It has paid to Widows and Orphans, and other claimants under policies on deceased members, about $4,000,000 00.
6. Such payments are made in Cash, and not partly in Cancelled Notes, as is the case in many Companies.
7. No deductions are made from the face of a Policy, for Premium Notes when it becomes a claim, as is the case in all Note Companies.
8. The sum of $1,500,000 00, and upwards, in cash dividend among Policy-Holders, (this included the dividend for the present year,) as profits of the business.
9. All the profits of the business are annually divided among the assured Equitably, instead of being wholly or partially distributed among the Stockholders, as is the case in all "Mixed" and "Proprietary" Companies.
10. Dividends are invariably available, as cash in payment of Premiums.
11. The dividends are made from the start, and not postponed until the lapse of several years, as in many Companies.
12. The Society deals Equitably with its policy-holders.
13. The Equitable has made More progress since its organization than any other Life Company in the World.
14. Its risks have been so carefully selected, and its dealings so equitable, that it has never been obliged to contest the payment of a claim at law.
15. Its modes of applying dividends are more numerous and more advantageous than those of any other Company in the World.
16. It issues all the popular styles of policy, including "Ten Year Non Forfeiting" and "Endowment Policies."
17. The amount of new business during the year, ending December 1, 1869, was $51,071,041.
18. Its Policies average larger in amount than those of any other Company, showing that Capitalists select the Equitable for purposes of investment.
19. The profits of the business are apportioned to those insured on the "Contribution Plan," which is conceded to be the only equitable mode of division, and not by the mode adopted by many Companies.
20. It is as liberal in the conduct of its business as is consistent with the safety of the assured, and does not sacrifice proper caution to an ambition to increase the nominal amount of its business, as is the case with many new Companies.
21. It is the favorite Company in the United States, as is shown by its new business last year, being nearer $12,000,000 greater than any other Company.
